

## Accelerate: Quick ATE Insurance for Commercial Disputes

### The Judge's Quick Service

Accelerate provides a fast-tracked process for obtaining ATE Insurance for commercial cases requiring adverse costs and own disbursements cover of **up to £250,000**.

### Deferred Premiums for ATE Insurance

The premiums are **deferred** and **contingent/self-insured upon success** and **staged** to provide for a reduced premium should the case settle early. This means that there is nothing to pay upfront and nothing to pay in the event of a loss.

### 24hr Turnaround Time

All cases that fit the criteria will be eligible to receive non-binding indications for adverse costs and own disbursements within 24hrs of submitting the application

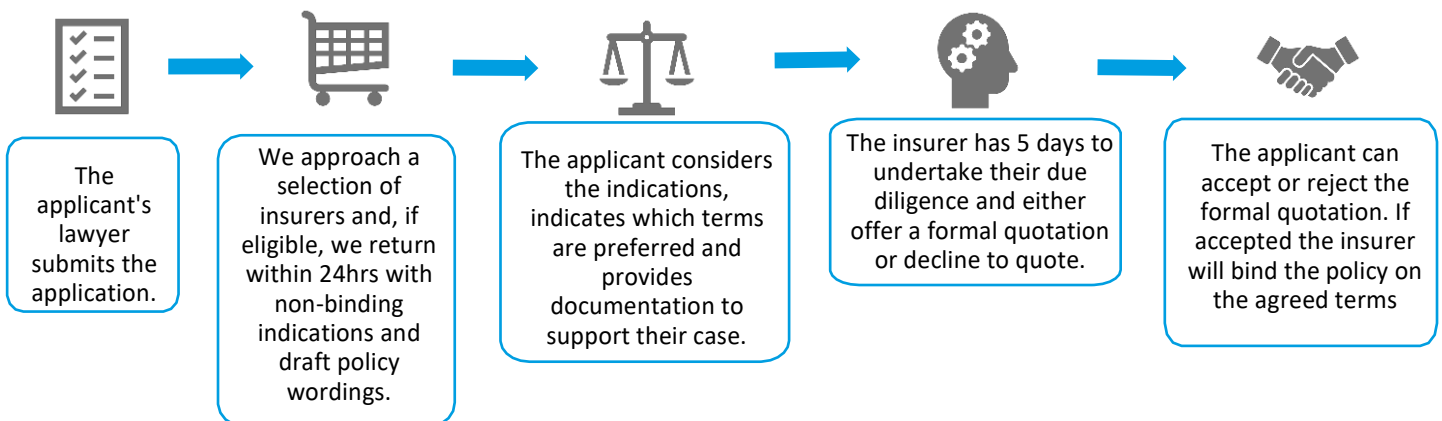

### The Insurers

The Insurer participants in Accelerate are A rated insurers. As there are multiple insurer participants in Accelerate, your client retains the benefit of a market search

### Eligibility Criteria

- Prospects of success must be a minimum of 60%
- Case cannot be within 6 months to trial
